Figure 1: Percentage of Births to Unmarried Mothers by Class

Growing Class Gap in Births to Unmarried Mothers

- High School or Less
- Some College
- College Grad

Percentage

Non-Hispanic Whites Only
Source: National Survey of Family Growth
Figure 2: Percentage of High School Sophomores Currently Living with a Single Parent by Class

Non-Hispanic Whites Only. * indicates that gap is significantly different than previous survey
Figure 3: Average Developmental Time Spent with Parents by Class

Non-Hispanic Whites Only
Source: American Heritage Time Use Study
Figure 4: Average Daily Minutes of Developmental Time with Mothers by Mother’s Education

Source: Altintas (2012) Note: Weights are applied to represent the population distribution accurately and to correct for distribution of the days of the week.
Figure 5: Class difference in developmental childcare by age of child, 2003-2010

Source: Altintas (2012) Note: Sample limited to non-Hispanic white mothers only in AHTUS (2003-2010). Mother is not employed, married to an employed spouse, and has one child. The model controls for the number of children under 18, number of children under 18 squared, employment, respondent’s marital status, employment status of spouse, age of youngest child and diary completion day.
Figure 6: Participation in One or More Extracurricular Activities (excluding sports) in 12th Grade

Non-Hispanic Whites Only, * indicates that gap is significantly different than previous survey
Figure 7: Participation in One or More Interscholastic Sports in 12th Grade

Non-Hispanic Whites Only. * indicates that gap is significantly different than previous survey
Figure 8: Percentage of 12th Graders Who are Team Captains

Non-Hispanic Whites Only. * indicates that gap is significantly different than previous survey.
Figure 9: Approximate Days per Year Attending Religious Services in 12th Grade

Non-Hispanic Whites Only
